## WHY US?

Our business has had a reputation as one of Yorkshire's top employers for 150 years, and now we're building an internal digital agency that has vision to revolutionise the way our 12+ businesses operate, while helping new opportunities scale.

We have a brand-new head office environment overlooking Hull Marina with facilities such as a gym, innovation hub, cafe and coworking spaces. We have several new hires across the business to learn, develop and grow with and have exciting early-stage projects that provide a wealth of opportunities.

If you like variety, discussing challenges with knowledgeable individuals and working in an entrepreneurial environment then this is the opportunity for you.

## WHO ARE YOU?

You are creative, ambitious and rise to a challenge. You love to learn and will strive to develop your skills and knowledge in the design and marketing industries.

You are well organised, self-motivated and can manage your own tasks and work schedule to meet deadlines.

You will also work as part of a team that build campaigns and you can contribute to the content, messaging, and design of these.

You'll be up to date on the latest trends and have a thorough awareness of our clients' and their demands to provide ideas for how they might be applied to our campaigns.

You're keen to try new things and are driven by key performance indicators. We don't mind failing as long as it's quick and we learn from it.

## KEY DELIVERABLES:

- Communicating with staff to debrief their marketing requirements.
- Ordering and producing artwork for promotional materials and adverts
- Creating email/web/social media graphics to templates (with the potential to designing new artwork as your skills develop).
- Assisting in the design/building/content of new websites
- Assisting members of staff with copy writing/proof reading

## RIX DIGITAL PERKS:
